President's Message

Miles Tsuruoka, President

It is really overwhelming to see the great turnouts we've been having at our recent monthly meetings. Randy Cieslak of the U.S. Pacific Command was no doubt the reason for May's successful meeting. His challenge of having to support all of the different military service branches in the enormous Pacific region must be daunting.

Please keep bringing your friends along to our meetings. We all appreciate the chance to meet more of our counterparts in this ever-expanding IT industry.

June Meeting

Shaun Meany, director of sales at Honblue, Inc will be our guest speaker for the Wednesday, June 19th meeting. His topic will be about how architects, engineers, contractors and developers are leveraging technology to increase productivity and reduce costs. He will also provide an introduction to Honblue who provides services and information solutions to Hawaii's design and construction professionals.

Thanks to program chair, Dale Aiello for his persistence. He had several different speakers lined up and each had to cancel last minute.

Job Opening

The City & County of Honolulu's Dept of Information Technology is hiring 2 Data Processing Systems Analysts to provide programming support for the Hawaii Driver License and Commercial Driver License Systems. Positions are temporary contracts and non-civil service. Positions are for 1-year starting approximately July 1, 2002. Salary up to \$3,939 per month.

Requirements: Graduation from accredited college or university with a degree in computer science, management information systems, or related field plus 3 years COBOL, CICS, IMS programming experience. Familiarity with JCL, Panvalet, and MVS preferred. Please send resume and salary requirements to:
