President's Message

Miles Tsuruoka, President

Listening to Dr. Steven Seifried give his overview on Bioinformatics sure gave one an appreciation for computers and their number crunching ability. His explanation about genomes and all the other types of "...nomes" and proteins made Jurassic Park and DNA seem simple. We hope that the new Medical School in Kakaako will help to grow and support this fascinating area of research.

As my two year tenure as president of the Honolulu Chapter of AITP comes to an end, I would like to thank all of the various volunteers who have helped to make this chapter so valuable. We have long-time members who still continue to devote their time and effort to this chapter. We have past presidents and other regular members who continue to serve as committee chairpersons. We have new members who answer the call when we need help on committees and to staff our expo booths. It is these people who make our chapter so wonderful. Please safely enjoy the Holidays over the next month. See you at our next AITP function! Mahalo!

Annual Christmas Party

Wednesday, December 11th is the date for the annual AITP Christmas party and officer installation. Same time, same place.

Donations are needed for door prizes. If you would like to contribute something, please contact Ron Hirata at rohrata@ksbe.edu or call him at 523-6372.

Have a safe and joyous holiday season!!

BOD Election Results

Congratulations to Diana Shelton, Judy Simon, and Jason Coats on their re-election to the board and to Brian Malanaphy and Jill Lewellen-Aiona on their newly elected seats to the Board of Directors!

Along with current term members Susan Shepard, Les Miyamoto, Tam Franco, and Miles Tsuruoka, the BOD will have lots of work in 2003 with the Region 2 conference coming up.

Thanks also go out to Celeste Rogers, who has always been willing to serve in any capacity to help this organization.
