### President's Message

Diana Shelton, President

Have you ever thought about doing high tech business in Japan or other areas across the pacific? Our speaker at the March meeting, Dave Erdman, can offer assistance in that area. Dave, President & CEO of PacRim Marketing Group, Inc., talked to us about different strategies; what works; what doesn't. An excellent presentation.

I would like to take a moment and acknowledge our military men and women engaged in the military action in Iraq and across the Middle East. Many are at the point of just beginning their adult lives; some just out of high school a year or two; in their early 20's; some with young families anxiously waiting for news of their loved one so far away. Already some have died or are missing or have been taken as POWs. Please join me in sending thoughts and prayers for a swift end to this conflict and a safe return of our military forces.
