President's Message

Brian Malanaphy, President

This is my last President's Message, as Lori Morden of Hawaiian Cement will be the new AITP Honolulu President for 2005 and will have the honor of penning her own President's Message each month.

It's been an honor, a pleasure and a learning experience to be the AITP Honolulu President for the last year. It was a hectic but productive year for AITP Honolulu and quite a bit has been accomplished by all involved. Some of the highlights include:

- Beginning quarterly in-depth half-day educational seminars.
- Lowering the member and student rate for our monthly luncheons to \$10.
- Varying the menu at our monthly luncheons to provide better lunches.
- Changing the venue for our luncheons beginning with the February 2005 luncheon to the Hale Koa Hotel.
- Region 2 Outstanding Chapter Award

I'll look forward to still being involved with the AITP Honolulu Chapter for 2005 and serving on the

Board of Directors as a Past President. Undoubtedly, new initiatives will be pursued to continue to make our chapter better.

At the November luncheon meeting Dr. Karl E. Stahlkopf presented "Hawaii's Energy Future". This was a very interesting and informative presentation regarding the challenges of meeting the electric power demands of Hawaii today and for the next ten years as demand grows.

This month we will be hosting our annual Christmas luncheon. Members are encouraged to bring a small gift for our gift-swap, and also vendors are encouraged to donate gifts. At the Christmas luncheon, the new Board of Directors will be installed. A fun time is guaranteed to be had be all in attendance.

Keep in mind that only early reservations (by AITP Members or Students) qualify for the discounted luncheon price of \$10.

If you have any questions, concerns or suggestions please feel free to contact me. My email address is: brian@malanaphy.com

Holiday Luncheon/Officer Installation

December 15 is the date for the chapter's annual holiday party and installation of the 2005 Board of Directors.

Other than the board installation, this is primarily a social event with no guest speaker. It's a great time to network, renew old acquaintances, and meet new friends.

We will be featuring an updated menu (even the vegetarian one too) and door prizes. Guests are also encouraged to bring a grab bag.

So practice those Christmas carols, dust off your gay apparel, bring a hearty appetite, and be prepared to share some festive cheer.

Door Prizes Wanted

Door prizes are needed for the annual banquet in December. Now is the time to advertize your company by donating items with your corporate logo or recycle those 'I can't believe I got this as a gift' kind of stuff.

George Leong is coordinating the door prizes. Please call him at 486-8686 to let him know what you are bringing and so that you can be properly recognized for your contribution to the chapter.

January Meeting

On January 19, 2005, we will be featuring Steve Booth who is the Western Region Manager for Stratus Technologies. He'll be speaking about "High Availability/Fault Tolerant Systems in an Intel/Windows environment".
