Honolulu Chapter

President's Message

Lori Morden, President

It was the end of an era for AITP as we held our last meeting at the Ala Moana Hotel on January 19th before we move to the Hale Koa on February 16th.

Our January meeting featured Steve Booth who is the Western Region Manager for Stratus Technologies. Steve shared with us his insight on Fault Tolerant Systems in the Windows Environment.

We also recognized George Leong, the founding father of AITP Hawaii, with a Triple Diamond and Quadruple Diamond Individual Performance Awards. Congratulations George!

Remember to sign up for our Quarterly Education Seminar to be held at 8 a.m. on February 16th at the Hale Koa. We are looking forward to having Rob Westover from Microsoft instruct us on Migrating Exchange Server 5.5 to Exchange Server 2003 and sharing additional tips and tools. Many companies have all ready completed their conversion and many more are in the process of planning theirs. Come and get a heads up and valuable information for your conversion.

Rob will also join us for our Monthly Luncheon Meeting in February, once again at the Hale Koa. Rob will discuss Migrating our Windows NT 4.0 Line of Business Applications. As we all know, Windows NT is no longer being supported by Microsoft and it's time to start moving these applications.

We, as a Board are really excited about hosting these Quarterly Education Seminars for our members and guests. As it says in our mission statement, providing education for our members is of utmost importance for our organization. Please let Dale Aiello know of any speakers or topics of interest to you.

See you on February 16th at the Hale Koa!

Chapter News

New Meeting Location

Beginning in February 2005, the chapter will be moving to the Hale Koa Hotel for our monthly meetings - same days - same time.

Since the Hale Koa Hotel is a military facility, guests may be subject to ID checks depending upon the security status. Please be sure to bring a picture ID with you should there be security detail at the entrance of the hotel.

AITP Quarterly Series
Migrating Exchange Server 5.5 to Exchange Server 2003
and
Member Meeting and Luncheon
Migrating NT4 Line of Business Applications

February 16, 2005
Hale Koa Hotel

Help us kick off our first AITP meeting at our new meeting location at the Hale Koa Hotel. Join us for an optional educational seminar featuring **Rob Westover, MCSE, MCSA from Microsoft** followed by our regular monthly AITP meeting and luncheon where Rob will present another topic.

Educational Seminar: Migrating Exchange Server 5.5 to Exchange Server 2003

8:00 am Continental breakfast

8:30 am - 11:30 am Educational Seminar

This session will cover topics relating to a successful Exchange migration, which can result in improved scalability and reliability while increasing productivity. Discussion will be on deployment scenarios along with Exchange Server 2003 and its system and network infrastructure requirements. You will see Exchange deployment tools in action, how the Active Directory Connector works, and why you need it to connect the Exchange 5.5 directory service to Windows Active Directory. Rob will also share tools that make the job easier and reduce risk.

Luncheon Meeting: Migrating NT4 Line of Business Applications from Microsoft

11:30 am - 1:00 pm

As Windows NT 4.0 Server comes to the end of its supported life, a large number of organizations still have vital line of business (LOB) applications that run on this platform. Rob will share with us details on a variety of tools to give organizations options on moving these applications. Using a five-step approach to moving an LOB application, we cover Application Compatibility mode on Windows Server 2003, the Application Compatibility Toolkit, and Virtual Server 2005.

Members	Guests/Non-members/ Late Reservations/Walk-ins	
\$25.00	\$50.00	Educational seminar and member luncheon
\$15.00	\$25.00	Educational seminar only
\$10.00	\$25.00	Luncheon meeting only

To register send e-mail to: aitphawaii@aitp.org before February 11th.

Since the Hale Koa Hotel is a military facility, guests may be subject to ID checks depending upon the security status. Please be sure to bring a picture ID with you should there be security detail at the entrance of the hotel. \$2 validated parking is available in the parking structure across the street from the hotel.

Microsoft is an AITP Partner Affiliate. These IT-related product and service providers offer AITP members access to leading products, services and resources. They are dedicated to AITP's mission and growth. As is their custom, Microsoft will be giving away free software to lucky attendees.
