President's Message

Lori Morden

I would like to thank Ken Newman, Vice President of Security for American Savings Bank, for spending the day with us to share his knowledge of Wireless Security at our September Educational Series Event and luncheon meeting.

October is upon us and it's almost the end of the year and there are so many things to look back on and many projects and events yet to finish this year. As with everyone, I'm sure we are all very busy in our work and home lives, but we need to at times stop and smell the roses. We need to have some to ourselves to relax and spend time with family and friends. I bring this up because I think the days go faster and faster and I wonder where time goes to. It's hard to believe that the end of the year will be here soon.

I want to thank all the Board members and others that give so much of their time and talent to make sure our AITP Chapter runs smoothly and is a success. There is a lot of work that goes into making our AITP Chapter a success. Please make sure you give a thanks to those members that bring us outstanding programs each and every month; take care of our reservation and

registration duties; make hotel arrangements; and coordinates our membership.

At our October meeting on Friday the 21st we will be having our elections for our 2006 Board. Please make sure you are attendance so you can help elect the new board.
